This book is a cross-section of school life. We have tried to show all the happiness, sadness, thought, and work that makes pupils what they are today and what they will become tomorrow.

## DEDICATION

We, the Seniors of Huntertown High School, dedicate this yearbook to Mrs. Virginia Clark.

Though she has been a member of the faculty for this one year, Mrs. Clark has won the admiration of the senior class as well as the underclassmen.

Along with her other duties as a teacher, Mrs. Clark sponsors the seniors in all their undertakings.

### OUR SCHOOL AND WHAT IT MEANS TO US

It is the place where we have made many friends. Here we are reminded of many parties, class plays, athletic events, and other social activities.

Here we were taught the value of our freedoms. Here we learned the magic of numbers; we learned of the wonderful world about us; the oceans, the air, and the universe.

In fact, this school was our home for twelve happy years and we want always to remember it with sincere appreciation.

Our Citadel helps remind us of these pleasant years.

QUEEN AND KING  
VIRGINIA MASON  
KENNETH HOEPPNER

Here it is again, the time of the year most juniors and seniors, and sometimes sophomores and freshmen, look forward to with excitement and even fear. If you haven't already guessed, it's PROM time!

Listen to all the buzz of questions. Who are you going with? Did that certain one ask you? Are you wearing a full-length formal or a ballerina formal? What color flowers do you want?

Those are the questions the girls will ask each other, but what about the boys? They have to worry about the expense. All in all, they think it's wonderful too.

The juniors this year held the Prom in the gymnasium. Their theme was "Serenade of Spring." It was held May 7.

Our King and Queen were Kenneth Hoeppner and Virginia Mason.

The Prom was a success and the seniors appreciated the work the juniors did for their enjoyment.

# HOME EC DEPARTMENT

The Home Economics Rooms have been buzzing with activity during the 1954-55 school year. Much of this has been due to the addition of new equipment in the laboratory.

The kitchen was equipped with a new eight-foot, formica-topped unit and the gas ranges were replaced with electric. The Foods classes really kept the kitchen in use most of the time. As special money raising projects, the Foods II class baked and sold Christmas cookies and the whole department sponsored a skating party at the Roller-Dome. The proceeds were used to buy dishes, new pieces of Revere Ware, and some needed sewing equipment.

During the second semester more new equipment was added--a blond formica topped table containing two new sewing machines. The Home Nursing class was privileged to have Mrs. Warner, County Nurse, conduct their class once a week, giving instruction in bedside care of the patient. As a climax to their work, the class visited the Hanna Homestead, a school for crippled children in Fort Wayne, and the Parkview Hospital. As an added activity, the department prepared and served the annual F.F.A. Banquet March 16. All the girls in the Home Economics classes participated in the annual style show, presented during the P.T.A. meeting in April.

It has been a busy year, but a pleasant one, and we hope the H.H.S. graduates become efficient, well-trained homemakers.

## OUR STUDENT COUNCIL

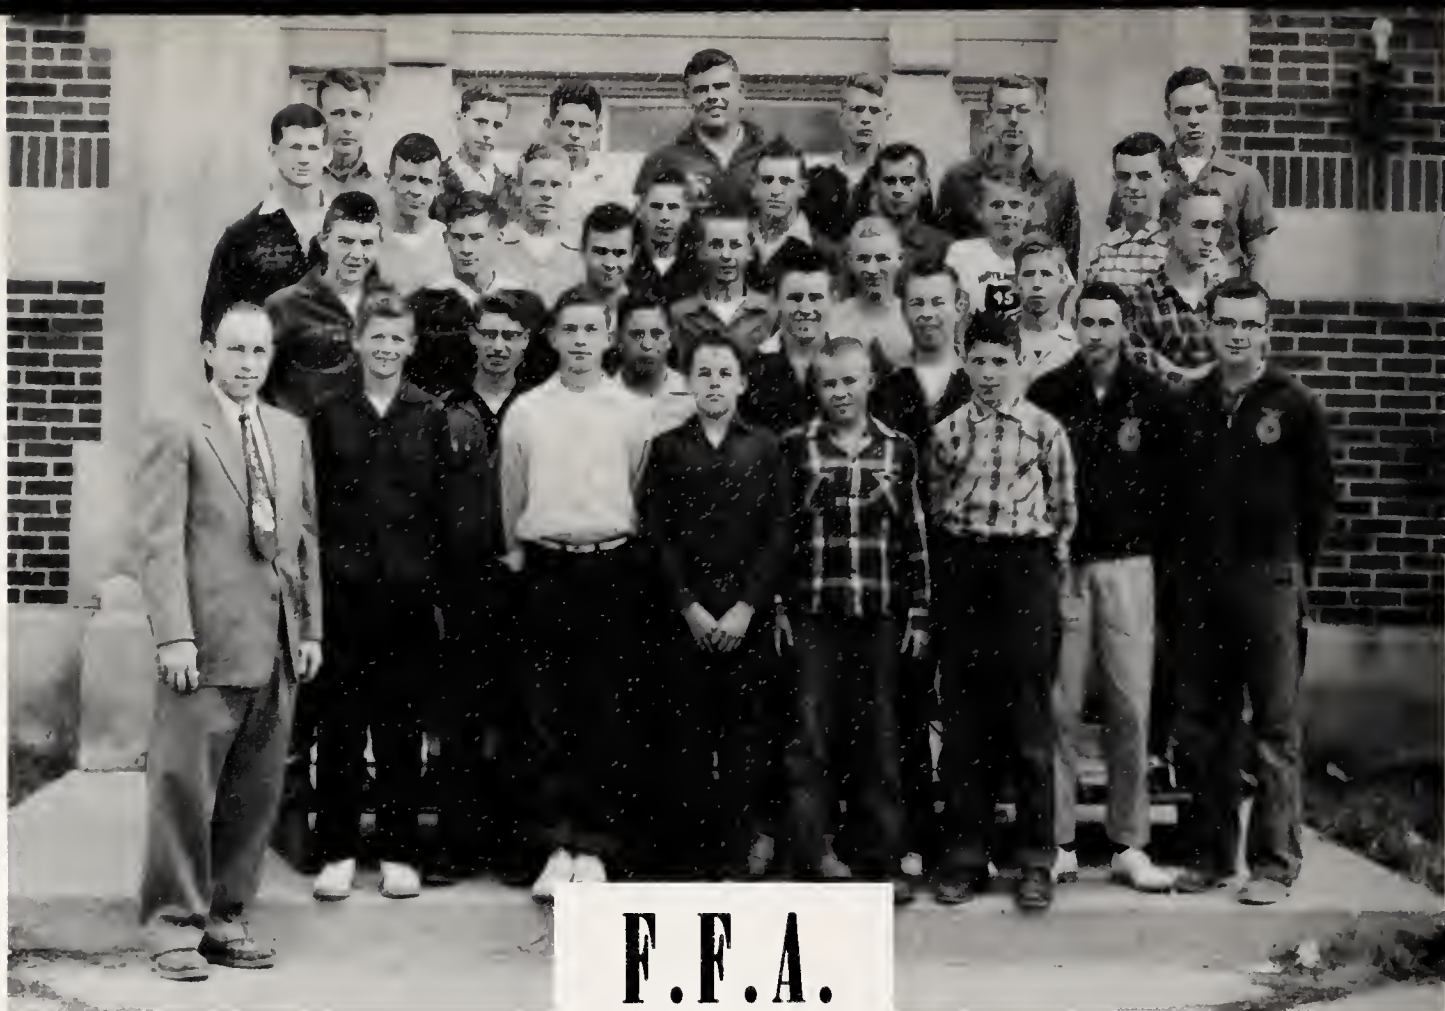

The Student Council is elected mainly, to help the students with their problems. They also serve to bring the students and teachers together in the school.

Student Council members are elected by the students themselves, who feel that the better the students and teachers are acquainted with each other, the happier both will become.
